

# ELF Miniatures

**ELF Bespoke Bathrooms are now available in 1/24<sup>th</sup> scale (or 1/2"). We make individual vanity units, baths and showers, and also complete bespoke bathrooms. You can choose from a wide variety of options in the finish you prefer.**

This supplement should be read in conjunction with the main ELF Bathrooms catalogue, so you may like to print off this supplement, or alternatively open it in a separate window so that you can read it together with the main catalogue, to which the page numbers refer.

---

## The Elite Range

Pages 3 and 4. These items are available as described for 1/12<sup>th</sup> scale. In this scale they are 1" deep and appx 1 3/8" high. Widths should be halved. Taps can be mounted on the unit or supplied as wall taps. The following price list replaces the 1/12<sup>th</sup> prices in the main catalogue.

---

## ELF Bathrooms – 1/24<sup>th</sup> scale – Elite Range

## Classic and Series 21

Pages 5 - 7. The classic range is available with plain or shaker panelled doors. Classic panelling (with moulded doors) is not available in this scale. Both Classic and Series 21 units are available as described. Any units not available in this scale are shown as such in the price list on the following page of this supplement, which replaces the 1/12<sup>th</sup> price list on page 8 of the main catalogue. All units are approximately  $\frac{3}{4}$ " deep (with the basin extending to 1") and  $1\frac{1}{4}$ " high. Columns are roughly  $3\frac{1}{4}$ " high. Doors in this scale are fixed (ie non-opening)

---

## The Compact Range

This range is not available in this scale.

---

## Baths

Baths are available as described on page 2 of the Baths and Showers Catalogue, with the exception of corner baths, which are not currently available. Choose plain or shaker panelled sides (moulded classic panelling is not available). Plain bath £55. Panelled – 2 sides £65, 3 sides £70, 4 sides £75. Dimensions appx.  $3\frac{3}{8}$ " long,  $1\frac{1}{2}$ " wide and  $\frac{7}{8}$ " high.

Wooden baths are also available as on P 3 of Baths and Showers. Made to order, sizes may vary. Guide price for average size, £35. Fitted as a Jacuzzi £50.

---

## Toilets

A modern low-level toilet is available. With streamlined appearance (no visible 's' bend), it is available with or without a cistern. (The cistern can be 'concealed' with a flush handle placed in the wall or in an extended cabinet base for a fully fitted look). Also see photos on the website.

Price without cistern £35, with cistern £55.

---

## Showers

We make a variety of showers in this scale. The curved walk-in shower is available, as are more traditional box showers. They are all available to order in various styles and finishes. Please contact us for details.

13.	Wall Unit + Shelves + Mirror $1\frac{1}{2}$ " w, x $\frac{7}{8}$ " h x $\frac{3}{8}$ "	20	25	20

### IMPORTANT

If you require a freestanding vanity unit, or a unit with tall columns immediately adjacent to the vanity unit, then you need to order unit 5. Units 3 and 4 require cupboards or drawers on each side.

Classic units comprise plain doors in natural wood, or painted in the colour of your choice. Classic panelled units comprise doors and side panels with shaker-style panelling in natural wood or painted in the colour of your choice.

All prices are in £ sterling.
