

ELF Miniatures

ELF's exclusive kitchens are now available for 1/24th (1/2") scale collectors. You can choose from a wide variety of options in the finish you prefer, all with the famous ELF quality.

We suggest either printing off this leaflet, and then opening up the main bespoke catalogue, or opening another window (or tab) in your browser, so that you can see this leaflet in one window, and the main Bespoke catalogue in the other and refer back.

The following page references refer to the main Bespoke catalogue (1/12th scale).

Doors

 (pages 3 and 4 of main catalogue)

Choose from plain doors or shaker panelling. Glass-fronted units and classic doors are not available in this scale.

Handles

 (page 6 of main catalogue)

- Wooden knobs – natural or painted
- Metal knobs brass or chrome
- "D" shaped handles – brass or stainless steel
- Long vertical stainless steel handles

Cabinets (pages 7 and 8 of main catalogue)

All sizes should be halved, i.e. 2" base becomes 1" base

Page 7: All units available except 6, 16 and 19

Page 8: All units available except 2, 3, 5, 7 and 14

Some sizes not available – see price list

Sinks (page 9 of main catalogue)

Choose sink A with a mixer tap (£25), or a butler's sink (price included with unit). It is also possible to have an under slung stainless steel sink (£15).

Hobs (page 9 of main catalogue)

Choose hob B (£3.50), C (£1.50) or opt for a solid plate electric hob.

Worktop and trim (see separate leaflet)

All options available except white tiles, though some of the bigger patterns are more suited to 1/12th scale.

Additional features (see separate leaflet)

Breakfast bars available as described. Also split levels and island units.

White goods

Washing machine (dummy) white or steel £15, Dishwasher (dummy), white or steel, £10, tall fridge/freezer (dummy) £15, Stainless steel American fridge freezer (dummy) £20. Other options available on request.

Open end shelf	5	5
Roller shutter unit	15	15
Horizontal wall unit (sizes vary)	5	10

For ALL kitchens, the cost is calculated by counting how many "blocks" are required (at £5 each) and then adding the cost of the different fronts. So the lilac kitchen on P1 of this brochure requires two base blocks and two wall blocks, whereas the dark blue panelled kitchen on P2 will require four base blocks (one either side of the free-standing Aga, and one either side of the Butler sink unit, which is a separate unit), Note that a wine rack is also a separate unit.

Standard units include plain doors in any finish and shaker panelled doors in natural wood only.

Notes: The price of the breakfast bar includes either support poles (brass or aluminium) or finishing to the exposed cabinet backs (where breakfast bar is supported by cabinets).

Please note that cupboards and drawers in this scale are non-opening. If you wish to display your miniatures, you may wish to include open shelving in your plan.

We suggest you may like to print out this supplement, to make it easier to refer back to the main Bespoke catalogue.
